Welcome to Jackton Distillery

Off the beaten track in the Scottish Lowlands lies our family-owned, independent, Jackton Distillery. What once started as a simple family farm has grown into a distillery, bar, accommodation, and event space. While we've expanded, our roots remain the same: creating a welcoming space that respects the land, supports the local community, and promises something truly special for our guests.

Whether you're planning a family gathering or a sustainable corporate retreat, we're sure you'll have a memorable time here at Jackton.

We're just 25 minutes from Glasgow city centre, so it's easy to get here but still feel like you're a world away. With our on-site accommodation, you don't need to rush home. Why not stay the night and enjoy the distillery at your own pace?

We want to extend a thank you for choosing our family business to host your event. We're looking forward to welcoming you and your guests to Jackton soon.

THE TASTING BAR

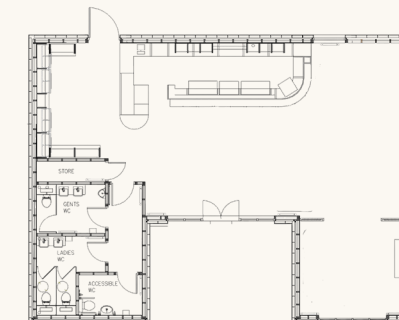

The Heart of our Distillery

Our Tasting Bar is a very special place for all of us who live and work in Jackton. It's not just where we tell our captivating story to visitors from around the globe, it's also a vital community space where our friends and neighbours in our village meet, drink and relax.

The intimate atmosphere of the Tasting Bar makes it the perfect location for your private event. Whether you're hosting a special family occasion, planning a refined drinks reception, or searching for an unforgettable boardroom meeting, nowhere could provide a better backdrop than this cosy, sophisticated space.

In the Tasting Bar, we blend rustic decor with modern comfort. Warm wooden gables perfectly compliment the sparkling copper furnishings and marble bar top to provide a breathtaking look and feel. Guests can choose to gather gregariously around our striking hand-carved oak tasting table, or retire to the Snug for a more intimate space for relaxation. At the centre of the space is the iconic distillery Bar itself, fully stocked with our own hand-crafted spirits.

In the Tasting Bar, good conversation is encouraged! Book the Tasting Bar for your next event and enjoy an evening that will keep your guests talking - long after the night is over.

THE SNUG

Quiet luxury. Refined.

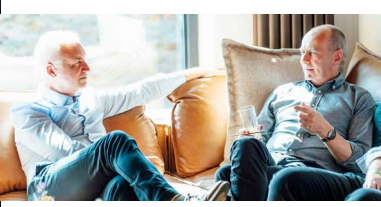

Hidden in a quiet corner of our Tasting Bar, our Snug offers the perfect blend of atmosphere and intimacy. Whilst not entirely private, this charming place inspires the feeling of being slightly set apart - making it the ideal spot for occasions that need a touch of focus without losing the buzz of the bar.

Ideal for smaller special occasions such as birthday parties, pre-wedding drinks, or catching up with old friends, sitting in the Snug you can satisfyingly sink into a comfortable sofa with a refreshing highball in hand, or simply enjoy the natural daylight streaming in from the wall-length window.

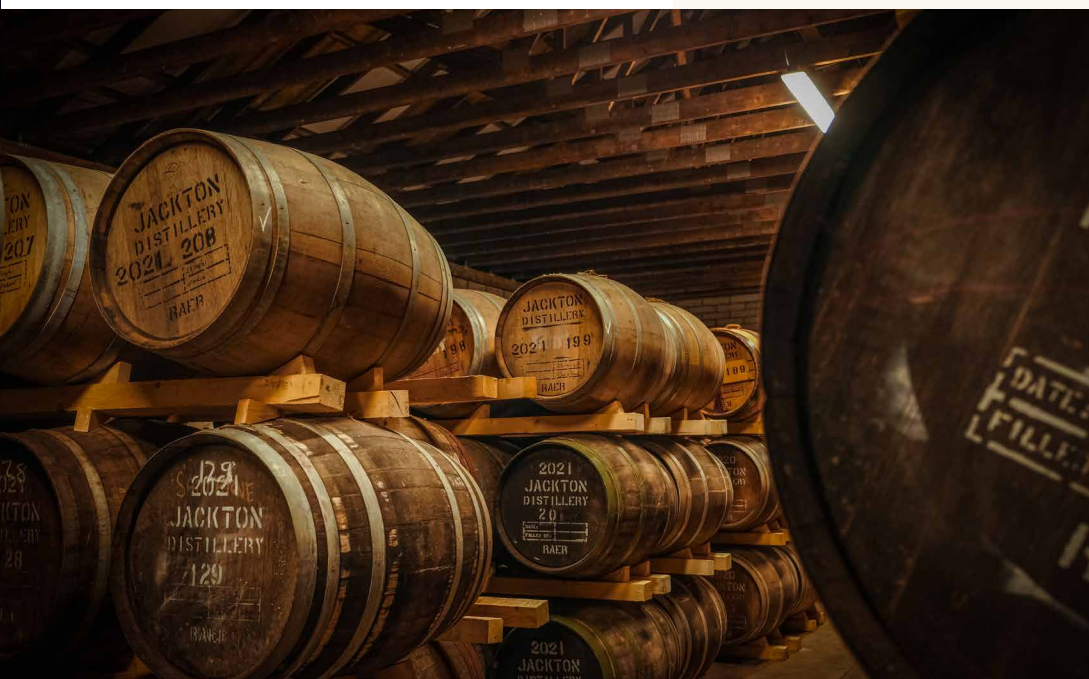

The Snug is particularly perfect for corporate occasions. Whether you're planning a casual meeting, a unique team-building session, or a small workshop, the Snug is a setting that encourages conversation and connection. With our welcoming bar team only ever a moment away and surrounded by the warm hum of the distillery, both your team and your clients will feel completely at home here.

Let us provide everything you'll need for a very special day away from the office. The Snug boasts its own presentation screen and whiteboard, with stationary provided on request. Hire includes tea and coffee breaks throughout the day, and our on-site accommodation means you'll always have somewhere tranquil to retire after the day is done.

CATERING

Exquisite food for any Event

As a working farm, we understand that great events should be paired with delicious, locally-sourced food.

Whilst we don't have a kitchen on-site, we're very lucky to have a superb family-owned restaurant located only five minutes from our venue! That's why we highly recommend closing your day at Jackton in style by visiting our friends at Coppertrees Bar & Grill.

With a passion for good food and locally-sourced produce, Coppertrees offer an unforgettable dining experience suitable for any occasion - from intimate dinners for two, to luxury banquets for groups of over one hundred.

If you're after something a little more casual, we'll recommend trusted local caterers who specialize in serving street food, sandwich spreads, cold buffets, and other amazing options — ideal for lunchtime meetings, cocktail receptions, or relaxed gatherings with colleagues and friends.

For even more flexibility, guests hiring our events spaces may wish to avoid all the fuss and simply plan to order in from one of our favourite local spots. Whether you're craving gorgeous pizza, fresh salads, or international flavours, there's no shortage of great options in our local area to delight your guests.
