

CELLAR & DANCE FLOOR

The Cellar space of our event venue includes a beautiful, designated Wedding Cake display. Adorned with a crystal chandelier and gilded mirror, it offers photo ops for your cake cutting.

The Deity Cellar is equipped and ready for your choice of entertainment. Our Deity DJ will keep your crowd moving with our custom DJ booth, “Brooklyn Love” light sign, and old school disco ball. Other great additions to the Cellar could be a photo booth, electric violist or band. Deity has a number of preferred vendors curated from local entrepreneurs in Brooklyn, NY. Our servers will cocktail your favorite drinks from the bar to you on the dance floor.
