OUR CAFÉ AND GARDEN

The Albany Café is a light and airy space, and is perfect for a breakout or lunch space for hires using our meeting and rehearsal rooms.

Our on-site kitchen specialises in delicious home-cooked vegan & vegetarian catering food, often featuring fresh produce from our garden. Wherever possible we stock Lewisham-based local suppliers.

As a charity, all the money we make from catering goes back into supporting our work with local community.

We're always excited to explore how food and community work together. If you're looking for an option that isn't listed below let us know and we'd be happy to see if it's something our creative catering team are able to accomodate.

A vibrant, multi-level community space, likely a community center or cafe. The room is decorated with colorful bunting and large, glowing spherical lights. People of various ages are seated at small round tables, some using mobility scooters. In the background, there's a kitchen area and a sign that reads: "Since 2013 the Meet Me... programme has had nearly 2700 sessions. It has involved with up to 200 members and 200 artists in that time." The atmosphere is warm and social.
