

FAIRGAME

THE FUNFAIR. EXACTLY LIKE YOU DON'T REMEMBER.

A woman with long blonde hair is seen from behind, playing a game in a neon-lit arcade. She is holding a yellow ball. The game features a propeller and a yellow ball. The background is a wall of neon-lit panels with various symbols and lights. The overall atmosphere is vibrant and colorful.

WELCOME TO

FAIRGAME

THE CITY

Fairgame is back....bigger, bolder, and now open in the heart of The City.

Our second venue has landed opposite St Paul's Cathedral at One New Change, bringing all the sights, sounds, and non-stop fun of the fair to an iconic location.

We're talking 12, never-seen-before games, a fresh line-up of street food traders, next-level cocktails, Prosecco-infused candyfloss, and a range of incredible spaces for private parties and events.

Fairgame offers the ultimate experience, all under one roof.

LET THE GAMES BEGIN!

Fairgame is where retro fun gets a modern remix: **12 brand-new, nostalgia-fuelled games**, all created in-house to turn your trip down memory lane into a full-blown competition. Think epic prizes, bragging rights and digital leaderboards tracking every glorious win.

Been to our Canary Wharf venue? Then you know the drill. If not, welcome to the ultimate arena where grown-ups come to play (no curfew required).

Whether it's a cheeky catchup, a team takeover, or full-on festive mayhem, **Fairgame is where the fun happens.**

WIN & BEAR IT

Bringing you team-building like never before. We are excited to have launched Prizeorama, with a whole host of amazing new prizes, giving Fairgame fur-natics the chance to accumulate points over multiple visits. With six opportunities to win each time you come* it's the perfect place for a few after work bears.

***and if you don't, we offer prize packages that will make you feel like a winner.**

PULL UP TO THE

BUMPER BAR

For killer cocktails, small-batch artisanal spirits, frozen margs that pack serious punch and London-brewed craft beer. Our expert bartenders know how to get the good times flowing. Get your merry-go-round in, cause **nostalgia hits different when there's a bar tab involved.**
