What to do if you think the prices are wrong. If you think that our prices are wrong please contact us promptly to let us know.

8.

What happens if we get the price wrong? It is always possible that, despite our best efforts, some of the Services may be incorrectly priced. Where the correct price for the Service at your order date is less than our advertised price at that date, we will charge the lower amount. If the correct price for the Service that you book is higher than the price stated on our website or as quoted by our reservations team.

We may offer you a refund then accept your payment for the correct amount, or we may be able to correct the request for payment before funds have been transferred.

If we accept and process your Booking where a pricing error is obvious and unmistakable and could reasonably have been recognised by you as a mispricing, we may cancel the Booking, refund you any sums you have paid and not supply the Services.

Booking Terms & Conditions continued.
