HAVANA VIBES
TROPICAL COCKTAILS

Welcome to Havana, Chelsea style, where London's sophistication meets the irresistible pulse of the Caribbean. Step into a world bursting with bold colours, vibrant energy, and the unmistakable rhythm of Latin beats that fill the air.

It's a place where every night feels like a summer celebration, where laughter and music flow as freely as the cocktails. From the rich textures of the décor to the warm, golden glow of the lights, Cubanista captures the heart of Havana and reimagines it through the lens of Chelsea's effortless elegance.

CUBANISTA

Sip, sway, and let the evening take you away with our signature cocktails. From zesty, refreshing mojitos to smooth, sultry rum classics that go down far too easily. Each drink is crafted to transport you straight to the sun-drenched streets of Cuba, where the rhythm never stops and the spirit of celebration lives on.
