WINE LIST & BEVERAGE PACKAGES

glohouse

Welcome to Glo House, where considered design, thoughtful hospitality, and a little magic behind the glass come together.

Our beverage offering is an extension of the Glo House experience itself: curated, refined, and designed to flow effortlessly through your event. We champion boutique, family-owned producers, sustainable practices, and wines with a sense of place... selections that feel elevated without ever feeling pretentious.

Each package has been carefully composed by our in-house Sommelier to suit a range of event styles, menus and guest preferences, ensuring every pour feels intentional and every moment shines.

Think of this as your guide to pouring joy, from relaxed daytime celebrations to evenings that unfold into signature Gloments.

As always, we're here to help tailor your experience and guide you through the details.
