TAILOR ROOM

Set within the historic Argyle Stores in The Rocks, our venue is a unique events destination in one of Sydney's oldest precincts. Once 19th-century sandstone warehouses used for colonial trade, the site has been reimaged for modern hospitality.

Just moments from Sydney Harbour and cobblestone laneways, the precinct brings together heritage charm and contemporary design across interconnected spaces, from open-air courtyards to intimate dining rooms and lively bars.

Blending history, atmosphere and versatility, it offers a distinctly Sydney setting for world-class food, drinks and events within a landmark heritage location.

Our Restaurants

These venues are available for exclusive private dining, private room events, and full venue hire across Argyle Stores, with tailored food and beverage experiences available throughout the precinct.
