

ORANGERY LOUNGE

With its sea view, abundant natural daylight, and a balcony overlooking the sea attached to the meeting room, this venue is conveniently located next to the reception and can serve as a guest lounge when not utilised as a function room, all while holding a wedding license.

The room features 2 dimmer settings for lighting control, 4 double sockets for power access, and can be accessed through the main entrance, with audio-visual facilities available upon request.

Maximum capacity –
50 delegates theatre style
