Collective Retreats

THINGS TO KNOW BEFORE YOUR EVENT:

Your retreat experience begins with the journey itself. Collective Governors Island is accessible by passenger ferry, with the most direct route departing from 10 South Street, Slip 7. You may also arrive via the MTA ferry. Please coordinate with our concierge ahead of your arrival for transportation to the retreat.

To keep the experience curated and seamless, we kindly ask that no outside food or beverages be brought onto the property unless previously arranged with our team. Events should wrap by 10:00 PM so guests can comfortably catch the 10:30 PM ferry back to the city.

In the case of inclement weather, we're here to help navigate next steps. While we don't offer cancellations due to rain unless conditions are deemed unsafe by our team, we do our best to accommodate rain dates, which are based on availability and may carry additional fees.

SERVICE CHARGE:

A mandatory 24% service charge will be added to all food, beverage, and related event charges. The service charge is distributed, in whole or in part, to service personnel associated with the Event, including servers, bartenders, captains, and support staff. Additional administrative fees, facility fees, or operational charges retained by the Hotel are not gratuities and are not distributed to service staff.
