IMPORTANT INFORMATION REGARDING HALAL OPTIONS

We offer a wide range of dishes made using halal meat and ensure that alcohol is not included in their recipes. You can easily identify these dishes on our full menu as they are marked with a small green moon symbol. However, it is important to note that we do not have separate areas in our kitchens to exclusively handle halal dishes due to space restrictions. While we take extensive measures to separate ingredients and thoroughly clean all areas and equipment, we cannot guarantee that our menu will be suitable for individuals who strictly follow a halal diet. Our kitchens also handle non-halal meat, including pork products, which are culturally significant in Chinese cuisine. Consequently, it is challenging to completely eliminate the risk of cross-contamination. In addition to our halal meat options, we also have an extensive range of vegan, vegetarian, and pescatarian dishes available. We understand the importance of catering to different dietary preferences and are committed to providing a variety of choices for all our customers. We prioritize transparency and want to provide you with accurate information to make an informed decision about our offerings. Please consider these factors when selecting your meal.

Please note that our canapé menus are available for groups of minimum 24 people for standing receptions only. Canapé menu orders require a 48 hour advance notice.

ALLERGIES & INTOLERANCES

Although we separate ingredients and clean down all work areas and equipment, the presence of allergenic ingredients in our kitchens means we cannot guarantee any of our dishes are free of those allergens. If you have a severe allergy we would advise our menu may not be suitable for you. If you have any questions at all, please speak to a member of our team. If you have a food allergy or intolerance please let us know before you order. We take allergies very seriously and we work hard to provide a wide choice to fit a range of dietary needs. Our Allergen Matrix, listing specific allergens present in each dish is available from our team on request. Please note: all our dishes and drinks may contain traces of nuts, nut oils or egg. Please be aware: shrimp is a common ingredient used in many forms of Asian cooking.
