

*"As one who frequently presents in various venues
I must say your Centre was excellent at every
level. From the location, to the environment,
to AV facilities, to catering everything is a credit
to you and your very professional team."*

Development Initiatives

EXHIBITION ROOM

The Exhibition Room is our largest entertainment space and ideal for evening receptions, dinners, conferences and product launches. With adaptable lighting, built-in PA system and state-of-the-art projectors, it offers a white canvas for you to express your ideas, network and dine with up to 130 guests.

If hired in conjunction with the glass roof Atrium for an evening reception (available from 6pm), your guests can enjoy a private view of ever-changing exhibitions before entering our bright and flexible venue. The Exhibition Room also benefits from an acoustic wall that enables the space to be divided into two self-contained areas – perfect for break-out activities or if you are looking for a smaller room.
