

*“What a fantastic space for a meeting! It was great to be in a beautiful room that contributes to such a great institution.”*

Contemporary British Silversmiths

CREATIVE  
BASE

The Creative Base is located in the existing Grade II listed Victorian Board School building and features wonderful original details from wooden floorboards, panelled sliding doors to a wrought-iron fireplace. A bright, light and airy space with high ceilings, it is brilliant for inspirational thinking away from distractions – whether this is a small meeting, team building away day, workshop or presentation.
