

QUADRANGLE SUITE

These two rooms may be considered separately or opened out to create a larger, striking space. The Quadrangle Room is a striking space, with south facing, floor-to-ceiling windows framing the magnificent Hurlingham gardens and lawns.

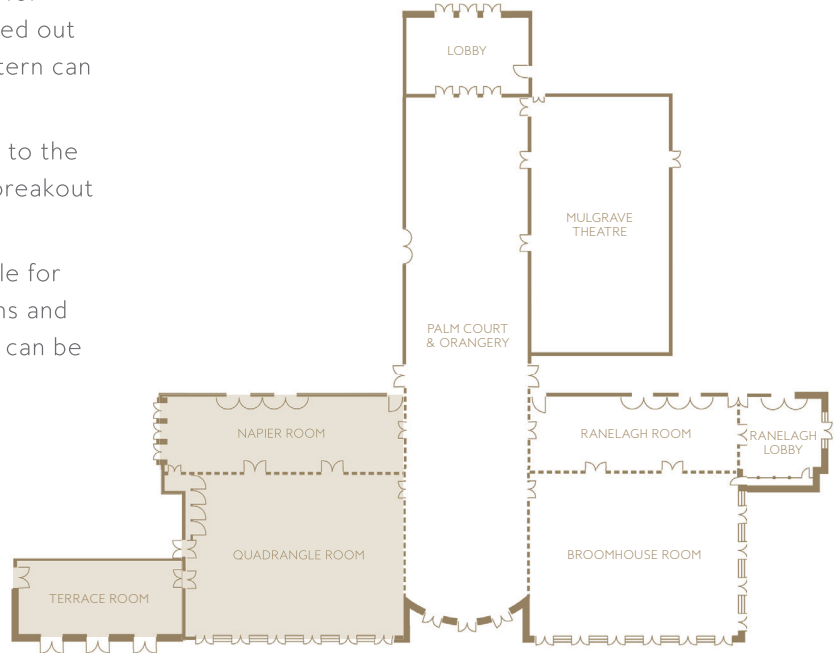

As a Conference Room there is ample provision for lighting and microphones, the room can be blacked out for AV presentations, and a raised stage and lectern can be provided for speakers and panels.

The Quadrangle Room is linked by double doors to the adjoining Terrace Room, an ideal location for a breakout room or discrete refreshment area.

The Napier Room is a self contained area suitable for cocktail parties, canapè and bowl food receptions and seated events. For a major occasion, the Napier can be seamlessly joined to the larger Quadrangle.

Dimensions of Quadrangle Room:
18m x 19.5m

Dimensions of Napier Room:
20.2m x 6.5m
