

INFORMATION FOR DJ'S AND LIVE MUSICIANS

The Hackney, 503 Hackney Road, E2 9ED

Noise Restrictions

There are a number of residential flats above the venue and as such we have a number of sound restrictions in place to reduce the noise impact

General Rules & Restrictions

- All music to strictly end at 11pm (Live music must end by 10pm)
- No music to be played outside the building (i.e. in the terrace area).
- Venue Microphones only to be used for speeches (no Karaoke/MCing or similar is permitted).

DJ's

- DJs are only permitted to use the Venue's PA system and speakers. No external speakers are permitted to be brought into the venue.
- Prior to the commencement of the event the DJ shall setup and test their equipment compatibility with the Venue's PA system. A maximum volume limit shall be set and agreed between the Duty Manager and the DJ and must be adhered to throughout the duration of the event.
- The maximum volume of the music shall be at the absolute discretion of the Duty Manager and the Venue reserves the right to close down the DJ's operations should the DJ not keep the volume at the required level.
- **In the event that the DJ exceeds the volume agreed with the Duty Manager, and this results in damage to the venue's PA system (i.e. the speakers or Amp are blown) the DJ shall reimburse the Venue for the cost of a replacement system.**

Venue PA System & Available Equipment
