

# PRIVATE ROOM HIRE

## BUSINESS ↔ PLEASURE

We offer three attractive, flexible spaces suitable for a range of social & business uses.

From a humble cuppa, to full on feast, light lunch or IT services (just don't ask us to fix your ageing MacBook), our team will work with you to design a bespoke package which ticks all the boxes.

Arrange a time to call in and we'll show you round, chat through the options and costs: preferably at the bar over a decent flat white or glass of bubbly.

See over for details.

## MEZZANINE

Perfect for a private business lunch, smaller meeting area or candle lit dinner party.

## DINNING ROOM

Situated at the rear of the ground floor, the dining room can be hired for private lunches and dinners.
