Welcome to Chamber Space. We are a unique venue located in the heart of Manchester's thriving business district, ideally located for any business looking to host a meeting or event in central Manchester. Situated in the historic Grade-II Listed Elliot House, Chamber Space offers real quality for its clients and adds something special to any event.

In the late nineteenth century Elliot House was the home of the Manchester Education Committee and later the Manchester Registry Office. More recently the building was the temporary home of Manchester Central Library.

Today it is the home of Greater Manchester Chamber of Commerce and Chamber Space and, as well as being a meeting place for the Chamber members, it has become a go-to destination for companies looking for stylish rooms at competitive prices in central Manchester.

Whether you're holding a training day, drinks reception, product launch or just a simple team meeting, Chamber Space's friendly team will provide an excellent professional service which meets your specific needs.
