Dear Sirs

World Curling Federation - audit for year ended 30 June 2019

This representation letter is provided in connection with your audit of the financial statements of World Curling Federation for the year ended 30 June 2019 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with applicable law and the Constitution.

We confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the following representations to you.

Our responsibility for the financial statements and accounting information We believe that we have fulfilled our responsibilities, as set out in the audit engagement terms, for the true and fair presentation and preparation of the financial statements in accordance with the Constitution.

Our responsibility to provide and disclose relevant information

We have provided you with:

- access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the federation you determined it was necessary to contact in order to obtain audit evidence.

We confirm as management that we have taken all the necessary steps to make us aware, as management, of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as we are aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

We confirm that all transactions undertaken by the federation have been properly recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all management meetings, have been made available to you.

Accounting policies

We confirm that we have reviewed the accounting policies applied during the year in accordance with the requirements of applicable law and the Constitution, and consider them appropriate for the year.

Accounting estimates, including those measured at fair value

We confirm that any significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the company have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Constitution.

Laws and regulations

We confirm that we have disclosed to you all those events of which we are aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

We have complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

We acknowledge our responsibility board members of the federation, for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

We have disclosed to you:

- all the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the entity involving:
- management and those charged with governance;
- employees who have significant roles in internal control; and
- others where fraud could have a material effect on the financial statements.

We have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

We confirm that all related party relationships, transactions and balances, (including sales, purchases, loans, transfers, leasing arrangements and guarantees) have been appropriately accounted for and disclosed in accordance with the requirements of the Constitution.

We have disclosed to you the identity of the federation's related parties and all related party relationships and transactions of which we are aware.

Impairment review

To the best of our knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the fixed assets below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Charges on assets

All the federation's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

We have no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Debtors

We confirm that full recovery of the sum of \$639,499 from the Chinese Curling Association is expected.

Subsequent events

We confirm all events subsequent to the date of the financial statements and for which the applicable law and the Constitution require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, we will advise you accordingly.

Unadjusted misstatements

We confirm that we have been advised of no potential adjustments.

Yours faithfully

Board Member.....
