This document describes the playing uniform and crests approval procedure. It also provides guidelines to the Member Associations to be forwarded to their uniform providers.

This document is linked to actual versions of the Rules of Curling and Competition Policy & Procedure Manual, WCF Uniform & Cresting Policy.
Approval Timeline and Dates
Approval by World Curling Federation office for any playing uniforms (including hats for Wheelchair curling) must be requested at least **8 weeks** prior to an event or may be requested at the **start of a season for multiple events**. However, it is recommended to apply for approval as early as possible to avoid any deadline violations or any complications in case of not immediate approval.

All Member Associations shall register the colour of the outer garments, jackets, sweaters, shirts and vests to be used by their teams when competing in WCF events.

**Requests shall be submitted only via an online form and must contain proper visualisations of the uniforms for approval. No garment will be approved without visualisation.**

Uniform Colours
Light-coloured uniform will be predominantly white or yellow in colour. There must be a minimum of 70% of white or yellow on both the front and back of the uniform.

Visible Garments
Any visible base layer garments, including compression sleeves, must be either:

a) white or colour match the light colour uniform when playing light coloured stones  
b) black or colour match the dark colour uniform when playing-dark coloured stones.

Hoods
Under the WCF Dress Code, hoods on jackets and sweaters cannot be showing, but must be rolled up or tucked inside.

**Hats – Exception for Wheelchair curling**
All hats must be the same colour but do not require to be of the same type.

Sponsor Crests
If any garment has a collar, sponsor crests or manufacturer logos are **NOT permitted on the collar**.

Sponsor crests that are not approved or any non-compliant logos on any item must be removed or covered. Cresting placement must be the same for all team members on all playing garments.

Two identifications of the manufacturer per accessory item will be permitted, to a maximum of 10 square centimetres (1.55 square inches) each.
Examples of Proper Visualisations for Approval

The light and dark colour garment shall be visible from all sides (front, back, left + right sleeves, collar inside + collar outside)

Example 1 (visualisation)

Example 2 (visualisation + size and colour specifications)
Examples of Proper Visualisations for Approval

The light and dark colour garment shall be visible from all sides (front, back, left + right sleeves, collar inside + collar outside)

Example 4 (photo)
Examples of **NOT** Approved Uniforms

- Grey colour does not meet 70% of white or yellow colour.
- Manufacturer logos not allowed on the collar.
- Only Event Crest or MA National Emblem allowed here.
- “X” symbolises manufacturer logo (2XU) – too large.
- Manufacturer logos – too large and too many.
Examples of **Acceptable Hats for Wheelchair Curling**

All hats must be the same colour but do not require to be of the same type.
