Füssen, 01.10.2022

**Job posting as the Junior National Coach**

The German Curling Federation (DCV) is looking for a

**Junior National Coach in Füssen**

The position is (currently) advertised as a 70% position with a weekly working time of 30 hours and initially limited until 31st of December 2026.

The Job requires a work obligation at the National-Training-Center in Füssen.

His / Her responsibilities include the planning and implementing of training programs for the junior national squad athletes in Füssen, that is aligned with the specification of the DCV, helping to identify talents and, if necessary, supporting the teams at International Championships.

The following requirements apply to applicants:

- Completed sports studies (Bachelor or Master) or adequate educations
- Driving license
- Presentation of a police leadership certificate
- Experience in high performance sports
- IT knowledge (MS-Office)
- Strategic and structural working

The job offer is the link between the national coaches, the team coaches and the athletes working at the training center. The main task is to develop the playing and conditioning skills of all junior national athletes who train at the training-center.

The coach is under the supervision of the director of sports.

**Work Description:**

- Reporting to the director of sports
- Coordination and training of the national athletes at the training center in cooperation with the national head coach and the base coaches
- Support of the club coaches
- Development of annual training plans for national junior athletes in cooperation with the national head coach
- Organization and coordination of ice times for daily training at the training center
- Support of the national head coach at the International Championships

Responsibilities:

- Reports to the DCV director of sports and the DCV President
- Coordinates, organizes and coaches the top teams at the training center
- Coordinates, organizes and coaches at national camps and training sessions
- Collaborates with the director of sports, the other national coaches and all the team coaches
- Develops training programs in cooperation with the national head coach
- Collaborates closely with team coaches and national head coach
- If necessary, he/she supports the national head coach at International Championships

Remuneration is based on the specifications of the German government.

Notes:

- This is a contract for Services position until December 2026 (subject to annual review)
- We currently seek to extend the position to 100%
- Coach will perform the necessary administrative duties in line with the position and make recommendations to the Curling High Performance Group on athlete selections for competitions and teams
