Private Hire

With 25 years' experience in the catering industry, here at Go Fish & Chips we know what goes into making the perfect meal. As well as the crispiest batter, the flakiest fish and the perfect chips, we make our own tartare and aioli sauces to perfectly complement our dishes.

We responsibly source our premium quality fish (cod and haddock as standard), and that's not to mention our 5-star hygiene rating. We are also fully self-contained, there is no need to provide us with any power or water.

With our private hire package, sausage and chips are available as an alternative to fish, and vegetarian and gluten free diets are catered for. Please discuss with us when booking any dietary requirements your guests might have. In short, we offer the perfect, hassle-free solution for your catering needs.

For £9.50 per head we provide:

- Our traditional premium fish and chips served in trays with salt and vinegar
- Condiments and sauces – including curry sauce, mushy peas and our homemade tartar sauce
- Cutlery and napkins

We also stock a fantastic range of Purbeck individual natural Dorset ice cream pots, which finish off your meal with a perfect sweet treat. These are available at a cost of £2.75 each. Please let us know if this is of interest for your event.

- Confirmation of number of guests and dietary requirements no later than 5 days prior to event
