

Health and Safety Policy (2018-2019)

H&S Construction (S-o-T) Ltd is an experienced building contractor with an excellent reputation for completing projects to the highest possible quality, to budget and on time. We are based in North Staffordshire and work all over the West Midlands and Greater Manchester.

We are committed to ensuring compliance with all relevant statutory requirements and high standards of health and safety throughout our operations encompassing on site project installations.

This shall be achieved by: -

- Providing adequate resources to effectively manage health and safety.
- Assessing the risks arising from our work activities and eliminating/reducing the risks identified to as low a level as is reasonably practicable.
- Providing and maintaining safe buildings, machinery and equipment.
- Ensuring the safe use of all work equipment and substances.
- Ensuring the competency of our employees and all others who engage in our activities by providing relevant information, instruction, training and supervision.
- Recording all and investigating accidents, cases of work related ill health and near misses, in-order-to prevent recurrence.
- Regularly monitoring our health and safety performance.
- Working towards continual improvement by regularly reviewing this policy and all other relevant policies, procedures and safe systems of work.
- The provision and maintenance of a working environment for employees that is, so far as is reasonably practicable, safe, without risks to health, and adequate with regards to facilities and arrangements for their welfare at work.

It shall be the duty of every employee while at work to:

- Take reasonable care for the health and safety of themselves or others who may be affected by their acts or omissions at work.
- Comply with any duty or requirement imposed on the employer or any other person by/under any of the relevant statutory provisions (to co-operate with them so far as is necessary to enable that duty or requirement to be performed or complied with).
