

DID YOU KNOW?

Accessibility @ The Millennium Forum

This guide explains some of the things in place to assist you when visiting us

We have an Access Membership Scheme which is designed for people with physical/sensory or cognitive disabilities to offer equal access to the theatre for everyone. On our website under Access you will find information and videos about what we do at the Forum. Why not sign up for our monthly Access Newsletter.

Familiarisation Visit

Visiting an unknown space can be daunting. If you would like to visit us before attending a show please contact

Toilets & Changing Place Facilities

We have accessible toilets on all levels within the Forum and a Changing Place Facility on Level 2 (Piazza). We also have accessible Facilities Backstage for Artists.

Sensory & Quiet Space

This space is available at all performances and is easily accessible. If you wish to move away from the hustle and bustle. You can also watch the show here if needed.

Accessible Performances

Throughout the year we offer relaxed & dementia friendly performances, captioned performances, audio-described performances and Sign Language Interpreted Performances with ISL and BSL interpreter on stage.
