

Newry
Private Clinic

Closer

Our clinic in the centre of Newry is now your fast track to the care and treatment you need and deserve.

Clinic at a glance

High quality private healthcare

Our healthcare staff, nurses, and consultants are highly trained to provide the best services and treatment to our patients.

Offering over 50 treatments and services

With over 22 consultants, we offer treatments across a range of specialisms.

Conveniently located

Newry Private Clinic is ideally located, a 45-minute drive from Belfast and just over an hour from Dublin.

Fast track appointments

Contact us today and you can have an appointment in our clinic in a fraction of hospital waiting times.

Access to experienced consultants

Our consultants have years of experience both in Ireland and abroad, offering professional care to patients.

Rich heritage

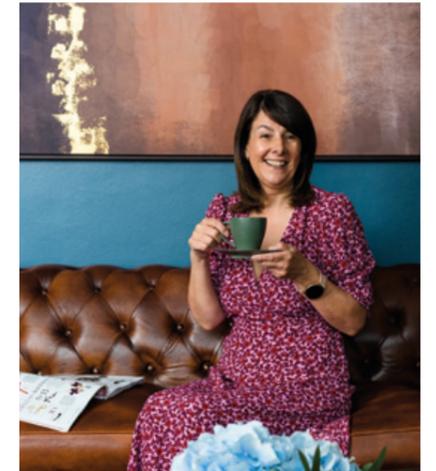

In the past two decades, Newry Private Clinic has built an excellent reputation in the local community with over 50 treatments and services.

Earlier

With waiting lists getting longer, see our senior healthcare specialists in a fraction of NHS and HSE waiting times.

Newry Private Clinic is a leading private healthcare facility located in Newry, County Down. Established in 2004, we have forged a reputation for high quality healthcare, provided by the most experienced consultants in Ireland. We have close links with our local community, and offer personalised, compassionate care to all our patients.

22

Consultants

Newry Private Clinic offers you fast and easy access to Ireland's best healthcare consultants. Our consultants are carefully selected, due to their ground-breaking clinical expertise. All our consultants are fully registered with the GMC and hold significant qualifications and accreditations.

18

Years Old

Having proudly served the people of Newry since 2004 and, under new ownership, Newry Private Clinic hopes to build upon the clinic's trusted reputation for delivering high quality local healthcare.

95k

Patients

Since being established 18 years ago, Newry Private Clinic has treated over 95,000 patients. In this new phase of growth and investment, the clinic has the capability to continue to deliver the latest innovations in healthcare treatments.

Sooner

Faster access to the best healthcare is now available in Newry.

- 4 Special Interest in Menopause
– Mr Sharma

At Newry Private Clinic we deliver professional healthcare that is accessible to everyone in a fast, friendly and effective way, with appointments available 6 days a week, including evenings.

If you wish to avoid lengthy NHS or HSE waiting lists, your solution is closer than you think, here at Newry Private Clinic, with appointments for most specialities available within a week.

From your first point of contact with the clinic, our dedicated team are here to listen to your individual concerns, provide advice and tailor the treatment most appropriate to your needs.

The team will be with you every step of the way in your healthcare journey including investigations, scans, and surgery, if required. There is no query too big or too small, we are here to help.

Treatments & Services

Small enough to care, but big enough to offer the same level of expertise and service as the major clinics.

Newry Private Clinic offers fast and easy access to over 50 treatments and services. We have an experienced team of friendly and approachable consultants with a broad range of specialisms. Our consultants are all GMC registered and hold senior positions within the NHS, and they will provide you with the healthcare you deserve without the wait you expect.

"Encountering a medical challenge can be a frightening and distressing experience. I took my mum to The Newry Clinic where all her worries (and mine)

were dealt with professionally, calmly and sensitively. The appointment system was efficient and immediate, the welcome from all staff was reassuring and personalised, and the medical consultant had expertise and patient care in spades. Due to the current health care context in Ireland we found ourselves pursuing the private route for the first time, it was a pleasant and reassuring experience at The Newry Private Clinic."

New Patients

At Newry Private Clinic, we offer expert medical care to patients who are funding their own treatment and those covered by an insurer. Regardless, you can still have quick access to our medical facilities, including diagnosis and treatment.

Self-funding

If you are paying for your treatment without the help of an insurer you don't need a GP referral, although this is helpful, it's not essential. Self-funding patients can pay for their treatment on the day of their appointment. All costs will be advised in advance.

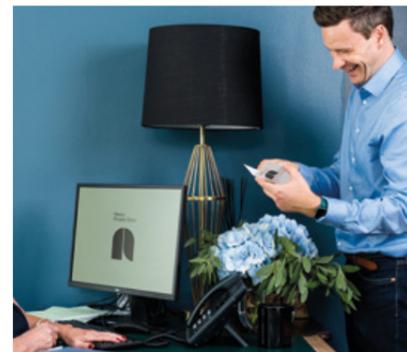

Private Health Insurance

At Newry Private Clinic, our consultants are covered by all major insurance companies in both Northern Ireland and the ROI and can offer high quality treatment to patients. If you are paying for your treatment or procedure through private medical insurance, contact your insurance provider to check that your policy will cover your medical expense. If some of your costs are not covered by your provider, please let our staff know in advance of your initial appointment. Most health insurers will request a GP referral letter.

Cross Border Patients

Under the Northern Ireland Planned Healthcare Scheme, if you are looking for faster treatment while on a long waiting list, you can come to Newry Private Clinic to avail of your treatment. You can pay for the treatment in our clinic and you will be reimbursed by the HSE. The reimbursement will equal the cost of the public healthcare treatment in Ireland, or the cost of your treatment in Newry Private Clinic, if that is less.

Payment & Pricing

At Newry Private Clinic, we understand that private healthcare costs can be daunting. We don't want our patients out any unnecessary expense and therefore will give you the best possible advice in your treatment journey. We will strive to give you the full potential cost at your time of booking so there are no hidden surprises. Payment is taken at the time of your appointment and a receipt is issued immediately. We accept the following methods of payment:

1. Cash payments – at this time we only accept sterling currency.
2. Debit and Credit Card – this can be paid in sterling and euros.
3. Insurance payments – your insurer will issue you with an authorisation code to use as payment.

Location

We're conveniently located only 45 minutes from Belfast and just one hour from North Dublin.
