## Sustainability Commitments

As a leading supplier to care homes, nurseries and schools in the UK, we at Gompels are deeply committed to sourcing and providing sustainable products for our customers. We have made some fantastic progress already:

**You love to contribute!**

Since 2021 you have offset **350 tonnes** CO2e

That's the weight of a **Boeing 777X**

**You love to keep it clean!**

You have used over **15 million** plastic-free wipes

That's **89 tonnes** of wipes that will compost naturally in landfill

**You love to support local!**

**UK Tree Planting** is the most popular project selected at the checkout

We recently moved to Gompels as our preferred main supplier because of their sustainability commitments.

We love the eco-ratings that they provide for products as this helps us decide what to buy.

Cheryl Hadland  
Founder & MD

## FREE online Training simply press play...

We've created a range of **FREE online training videos** with supporting workbooks to help your staff keep up to date, some come with a certificate on completion. We'll even alert you when staff need to refresh a course they have previously taken.

Our most popular free online courses are the **Care Certificates**. It is expected that all those working as healthcare assistants and adult social care workers undertake this training as part of their induction programme. At Gompels we've made videos where our presenter, Amanda, guides you through each Workbook highlighting the important information needed to complete the Certificate. We have also developed our own **FREE care certificate answers**, which are available to download as a completed workbook!

## Catering Swixz

## Why Choose Polycarbonate Over Melamine?

**Durable:** Virtually unbreakable, withstanding daily wear and tear, ensuring a longer lifespan than melamine.

**Microwave-Safe:** Safe for microwave use, unlike melamine.

**Light & Strong:** Combines lightweight convenience with durability.

**Temperature Control:** Keeps food warm, stays cool to touch.

**Hygienic:** Non-porous, meaning it won't absorb food particles or bacteria, easy to clean and dishwasher safe.

**Eco-Friendly:** Polycarbonate is 100% recyclable, promoting sustainability.

### Polycarbonate

Swixz Polycarbonate Tableware is crafted from high-quality polycarbonate, offering unparalleled durability and safety, making it an excellent choice for care homes and early years settings. While Swixz Melamine Tableware is a cost-effective option, polycarbonate provides superior benefits that justify the investment for those seeking the highest standards.
