## Paper Cap

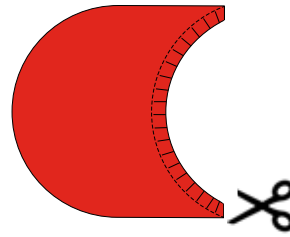

DIAGRAM 1  
Cut out the cap peak  
snipping the curve  
and fold the sections  
upwards.

### Instructions

1. Print or photocopy the cap peak onto thin card. Cut out and carefully snip around the curve folding the small sections upwards. Place to one side for later. Diagram 1.
2. Next cut out 6 strips of coloured card 30 x 297mm long. Diagram 2.
3. Take 2 of these strips of card and glue the short ends together to form a circle. Diagram 3.
4. Place this circle of card on top of the peak and glue the small sections to the inside of the circle. Diagram 4.
5. Starting at the front of the cap glue a strip of card from the front to the back of the cap. Then glue another strip going left to right across the middle. Diagram 5
6. The 2 remaining strips of card are glued going diagonally across the cap. Diagram 6
