References JUA I

Composition: bakbak on non-woven backing
Weight: $\pm 712 \text{ g/m}^2$ ($\pm 20,77 \text{ oz/sq yd}$)

Width of the wallcovering.

Pattern repeat is 0 cm (0") and the design does not need to be matched.

Light resistant:
Xeno test 5-6.

Sold by the metre/yard.
No minimum.

Ecological.

Apply a ready mixed PVA or EVA clear adhesive directly to the wall, no need to humidify the back of the wallcovering.

These wallcoverings are made by craftsmen. Plant fibres are selected, washed, sun-dried and hand woven on traditional looms. The nature of these plant fibres, as well as the production process, explain irregularities in the aspect and thickness of the wallcovering, as well as colour shades, which give the product its charm and unique character. Differences of colour and aspect between batches, or even from one strip to another, are unavoidable. We can't guarantee a perfect colour match between the sample in the pattern book and the delivered goods.

More information and samples are available on request.
