Welcoming, versatile and practical. This modular system can be arranged exactly as you please. The various modules mean that you can create your own linear or corner layouts to furnish small and larger areas alike and with ease. Two small tables and a console complete the range, to be positioned freely for different uses.

TECHNICAL FEATURES

Shell structure (armrests, backrest, under seat structure). Birch plywood with polyurethane foam padding.

Seat structure armchair, large armchair. Seasoned beech wood and birch plywood.

Seat structure for others modules (ottoman, corner, chaise longue). Made of seasoned beech wood and poplar plywood.

Suspension. Seat: No-SAG springs. Complementary elements: elastic belts.

Padding seat. Made of polyurethane foam and polyester wadding.

Backrest cushion. Made of goose down, with a polyurethane foam stabilising insert.

Feet. Made of plastic caps.

Upholstery. Fully upholstered in Pelle Frau® leather or in a combination of two materials. The first upholstery mentioned below is applied to the external shell while the second one is used for the seat and cushions.
