PRODUCT OVERVIEW

The diagram illustrates the components of the smartwatch. It includes a side view of the watch with labels for the 'Full Touchscreen' and 'Home Button'. Below this is a 'Watch Strap'. In the center is a top-down view of the watch face, which has a 'Charging Port' and a 'Heart Rate Sensor' indicated. To the right of the watch face is a 'Replacable Watch Strap'. Above the watch face is a 'Charging Cable' with a USB-A connector. To the right of the charging cable is a 'Welcome Guide' icon.

SETTING UP YOUR SMART WATCH

For your best experience, we recommend using the latest os/mo health app for iOS/Android.

Pair With Your Phone

1. Get ready with the os/mo health app, scan the QR code on your watch or find the os/mo health app in one of these locations, depending on your device:
 -  The App Store for iPhone.
 -  The Google Play Store for Android phone.
2. When the app is installed, open it and follow the instructions that help you create your account, or login to your existing account.
3. Your account asks for information such as height, weight, and gender to make various calculations and tailor your experience using the app. You can modify your information in os/mo Health - Account - User
4. Long press the Home Button of the watch to turn it on, follow the onscreen instructions to set up the language, and get ready pairing with the phone.

BT CALLING

Before pairing your phone and the watch for the BT Calling function, make sure the BT for call on the watch is switched on:

Press the home button to enter the main menu. Tap the phone icon to switch on the BT for call on the watch.

Some models of phones need to pair two devices with the same name "oraimo Watch Nova 2L" - one BT device for health data synchronization, the other to be paired for activating the BT calling function.

GETTING TO KNOW YOUR SMART WATCH

Wrist Placement

For all-day wear, your watch should usually rest a finger's width below your wrist bone and lay flat, as you would normally wear a watch.

Charge Your Watch

Connect the metal contacts on the charging dock to those on the back of the device, then put them on a flat surface.

Connect the charging cable to a power supply, the device's screen will light up and display the battery level.

✓ If the smartwatch was in contact with water, please use a clean, dry towel or a microfiber cloth to gently pat it dry, and wipe the metal contacts before charging.

EN 54
