IMPORTANT SAFETY INSTRUCTIONS

- Do not store the product in excessive heat or a humid environment, such as in direct sunlight or near heating appliances, as it may cause an explosion.
- Using chargers or power supply units that are not recommended by or sold with the product may increase the risk of fire or personal injury.
- The permissible temperature range for using the product should be between 0°C and 45°C.
- Avoid disassembling, modifying, inserting any foreign objects into, or immersing in water or any liquid to prevent liquid leakage, overheating, fire, or explosion.
- If the product is not in use for a long period, ensure it is recharged regularly once every three months.
- When the device is charging, some heat may be generated, which is normal. No need to worry.
- Keep the product out of reach of children to prevent them from swallowing or entangling it.
- Do not expose it to heat or fire.
- Cleaning the product should not be done with any harmful chemicals or detergents.
- Overuse, intense shocks, or drops may cause damage to the product.
- Utilize only original or certified cables for connecting.

WARRANTY CERTIFICATE

Name :	
Address :	
Tel. No. :	
Date of purchase : (dd/mm/yy)	
Store name :	
Warranty period :	

WARRANTY TERMS

- The warranty period starts from the date of delivery of the product and is 2 years. (This period may not be less than 2 years.)
- The product, including all its parts, is covered under warranty.
- If the product is found to be defective, the consumer may exercise one of the rights specified in Article 11 of Law No. 6502 on the Protection of Consumers, namely:
 - Withdrawal from the contract,
 - Requesting a price reduction,
 - Requesting free repair,
 - Requesting replacement with a non-defective equivalent.
- If the consumer chooses the right of free repair, the seller is obliged to repair or have the product repaired within a period of charge, without demanding any fee under any name such as labor cost, replaced part cost, or otherwise. The consumer may also exercise this right against the manufacturer or importer. The seller, manufacturer, and importer are jointly and severally liable.
 - If the consumer uses the right of free repair and:
 - The product breaks down again within the warranty period,
 - The maximum repair period is exceeded,
 - It is determined by an authorized service station, seller, manufacturer, or importer (by report) that repair is not possible;
 - The consumer may request a refund, a price reduction proportional to the defect, or -replacement with a non-defective equivalent, if possible. The seller may not refuse this request. If the request is not fulfilled, the seller, manufacturer, and importer are jointly and severally liable.
- The repair period shall not exceed 20 business days. This period starts from the date the fault is reported to the authorized service station or seller within the warranty period, or from the date the product is delivered to the authorized service station if outside the warranty period. If the defect cannot be repaired within 10 business days, the manufacturer or importer must provide the consumer with another product of similar features for use until the repair is completed. If the product breaks down within the warranty period, the time spent in repair shall be added to the warranty period.
- Failures resulting from use contrary to the instructions in the user manual are outside the scope of the warranty.
- In disputes arising from the exercise of warranty rights, the consumer may apply to the Consumer Arbitration Committee or the Consumer Court in the place of residence or where the consumer transaction was carried out.
- If this Warranty Certificate is not provided by the seller, the consumer may apply to the General Directorate of Consumer Protection and Market Surveillance of the Ministry of Trade.
