**** DO NOT MENTION BEFORE THE VIDEO THAT IT'S JANE FRENCH AND THAT SHE IS IN BILBAO, SPAIN ****

Put your hand up if you like books. What sorts of books do you like reading? We can read books for all sorts of reasons. Maybe you like storybooks that help with our imagination and hold our attention with an exciting tale of adventure, love or friendship. Maybe you like to read books that are full of information, like facts, photographs or maps.

In church, we use books for different things as well. We might use books with the words of songs in them. The most important book that we use in church is the Bible. We use it when we are all together as well as adults, teenagers and children using it in their teaching. It helps us to learn more about God. We also have books that help us to understand the Bible and how to live our lives as followers of Jesus. Let's watch a video were Blaze goes to visit someone who is doing something special with books to help some children understand the Bible better.

Wow! So Andamio Publishing, who Derek and Jane work with as part of the ministry they are involved in as global mission workers, translate and publish books in Spanish to help families with children just like you learn about the Bible and how to follow Jesus. What a brilliant thing to be able to do. Derek and Jane are involved in something incredible as they follow Jesus as global mission workers to help others in Bilbao, in all of Spain and further afield to also follow Jesus.

Let's pray for Derek and Jane and the ministry that they are involved with in Bilbao, Spain.

- Pray for the children of Spain that God would use these books to help them grow in their love for Christ.
- Pray for parents and Sunday School teachers as they share about Jesus with children.
- Give thanks that these books are also being used in other Spanish speaking countries in Latin America.
