“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.”

Romans 15:13

Since my last prayer bulletin I have had a very challenging time. I have been quite sick with nausea and weakness and no energy at all. This is very frustrating for me who likes to be active and yet I just don't have the strength! I am grateful for the medical professionals, for all they are doing to make my life as comfortable as possible with various medications!

I stopped the immunotherapy treatment as it is too hard on my body, and I had a scan last week. I am still waiting for results of the scan and for the oncology team to see if there is any other treatment they can suggest. I am also suffering from rotator cuff in my right shoulder – this is very painful and I am hoping that physiotherapy will alleviate this pain.

Meanwhile I wait upon the Lord – I trust in his love and strength to get me through each day. I am grateful to friends and family who help me get to hospital appointments and visit and encourage me. I am truly blessed.

Thank you for your prayerful support.

Thank you for your continued support. Keep updated with my life and work by checking my blog...www.dianecusick.blogspot.com

Please pray:

- For Diane and for the medical team as they decide if any other treatment might be beneficial.
- For Diane's energy levels to improve
- For Diane's family and friends, as they support her through this journey
- For teachers, friends and colleagues in Malawi and Zambia as they do the work of Early Childhood without much support.
