**“So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.” Isaiah 41 v 10.**

Since my last prayer bulletin, I have been in the City Hospital for four weeks and I am now in the Marie Currie Hospice.

I have been quite sick with nausea and pain and hopefully the hospice will get this regulated. I am having radiotherapy on my back to try and lessen the pain on my broken bones.

I am grateful for friends and family who visit although sometimes there are too many visitors on the one day. So, I would appreciate it if you could contact me before you come, to see if I am able to have visitors.

I am truly thankful for all the prayer, messages and good wishes. I wait upon the Lord for each new day.

Please pray:

- for the medical team in the hospice who are caring for me.
- that I may be comfortable and be able to spend quality time with friends and family.
- For teachers, friends and colleagues in Malawi and Zambia as they do the work of Early Childhood Development with very limited support.
