

Edwin and Anne Kibathi

Location: **London, UK**

Mission: **Pastoral ministry and church planting**

Greetings from London,

We are happy to report that we are now back in London after travelling to Kenya for a break. Edwin was away for around six weeks and Anne three weeks. During our time there, Edwin spent a week with an organisation known as Heri foundation to help train Evangelists and Pastors from marginalised communities drawn from six African countries. The conference took place in Kisirian near Nairobi. PCEA UK Outreach members and their friends had assisted in raising some funds for the one-week conference.

Edwin also joined the PCEA worship service to mark 100 years since the first African PCEA Ministers were ordained by the Church of Scotland Mission. The service was held at the Church of the Torch, Kikuyu in the outskirts of Nairobi.

April 2026

The congregations here in the UK are doing well and on 29th of March 2026, the youth were leading the worship services.

This month during Easter and after, we intend to visit and share Holy Communion with several members who have not been able to attend physical worship services due to health issues. In the month of May, some men will be going for a ten-day retreat course. This has been planned since last year and those participating are excited and looking forward to it.

The two TEE classes are still continuing and we thank God that all who started have remained. They meet via zoom on Tuesday and Thursday evenings.

Prayer Points:

- Thank God for journey mercies granted to us as we travelled to Kenya and back.
- Pray for the members with some health challenges and that the visits and the Holy communion fellowships will bring renewal and healing to them.
- That the forthcoming men's retreat will go on well and will bring joy and renewal to the group that will be travelling. That they will be given journey mercies.
- That the TEE students will be resilient and that the studies help them be grounded in the Word of God.
