Location: London, UK

Mission: Pastoral ministry and church planting

Sadly we have lost one of our members who passed away in June after a long illness. His burial is on 8th July 2025 here in London.

During the weekend, starting on the 11th, the ladies will be attending their annual retreat. This will take place at a Christian Centre based in Milton Keynes. All the plans are ready, and the ladies are now preparing for that time.

On the 26th and 27th of July, we will participate in the 'Kenyan and friends in the park'. This is an annual event that brings Kenyans from different parts of the United Kingdom together. They gather in a park and socialize, celebrate their culture, network, and have fun. At the same time, they interact with businessmen from Kenya and the United Kingdom. In this event, we are allowed to have a space where people can come and hold prayers or be prayed for as well.

GLOBAL DISCIPLES
Go Deep Go Wide

July / August 2025

We also distribute Christian tracts. We are hoping that like any other events in the past, we will also have an impact this time.

During the forthcoming school holidays, we are also expecting to have catechism classes. We hope to have several teenagers attending from all our congregations. After these classes the participants will be admitted to the Lord's table.

Prayer Points

- The family of our departed brother that they may know comfort during this time of sorrow and loss.
- The ladies as they go to Milton Keynes for their retreat, that this will be a time of rest, refreshing, and renewal.
- That the conference will be a success.
- That the event of Kenyans and friends in the park will also be a success and that our presence and contribution there will make an impact in the lives of many.
