

Edwin and Anne Kibathi

Location: **London, UK**

Mission: **Pastoral ministry and church planting**

Greetings from PCEA UK Outreach.

Following the recent TEE graduation, two more classes were enrolled and have now started their studies. One meets on a Tuesday and the second one on a Thursday evening.

The month of October as we had indicated last time is usually our health month. During all our Worship services, health professionals are given time to give health talks on various diseases that affect people and how to prevent or manage them.

The talks according to the feedback we have received were both educational, eye openers and beneficial to many.

In the month of November, two events will take place in all our congregations. This is the Presbyterian Men's Fellowship (PCMF) week and the Women's Guild Commissioning.

GLOBAL DISCIPLES
Go Deep Go Wide

November 2025

The PCMF Sunday will be observed on the 3rd of November. The men will lead Sunday worship services in all the Congregations.

Together with that they will review all the activities they have participated in the last one year.

On the 9th of November, the Women's Guild have organised a commissioning service.

This will be conducted by the PCEA Women's Ministry Director, Rev Elizabeth Kimani who will be visiting the UK from the 7th of November.

Prayer Points:

- Please continue praying for those who have started the TEE studies that they will be granted healthy minds and bodies to continue with the studies.
- That the health talks will continue benefiting those who had an opportunity to hear them.
- That the PCMF and Women's Guild events will go smoothly and will be a source of encouragement to both the men and the women.
- Pray Rev Elizabeth Kimani will be given journeying mercies and that her ministry during the visit will impact and encourage those she will interact with.
-
