Greetings from PCEA UK Outreach.

The scheduled activities for the months of July and August did take place, and we are grateful to God for the favourable weather.

Together with our normal worship services, the following events took place:

Kenyans and Friends in the park.

In this event, people gather in a park, with businesses and charities displaying their work in booths or stalls. There are interactive activities for community engagement, networking opportunities for businesses and charities. The event also provides a shared platform for communities to meet and interact, which fosters a strong sense of belonging. It also provides an opportunity for those from Kenya to celebrate their culture, food, and music. For us, the event is an opportunity to reach out to many with the Gospel, support with prayers those who request, and also assist with information they may request where we are able.

September 2025

The Summer barbecue: This is an event organised by the men in our church. It brings together families, friends, and community members in a joyful celebration. It is usually a moment to share values and strengthen bonds as people enjoy delicious food outside our normal worship space.

Lastly, we had an opportunity to conduct catechism classes for the youth. Six young people attended the classes.

The month of September is usually the mission month in our church. Two events are expected to take place. First is Mission Sunday. This is dedicated to be a time to remind members that the Church is on a mission and should always reach out to the communities around them and beyond. This includes taking the Gospel to them in word or in acts of love. The second event is the TEE graduation. This is expected to take place on 28/09/2025. We are expecting Rev. Uel Marrs, Secretary to the PCI Global Mission and who served as PCEA TEE director for many years in Kenya, to be our chief guest.

Prayer Points:

- Thank God for the success of all the activities that took place in July and August. Pray that those that we interacted with will continue experiencing the love of Jesus.
- That the scheduled events for September will also be a success and bring glory to God.
