Location: **London, UK**

Mission: **Pastoral ministry and church planting**

Greetings from PCEA UK Outreach.

The summer is almost over and many of those we had reported last month as travelling are now back. The children and young adults are now busy preparing for a new school year.

The month of September is the time the wider PCEA Church focuses on Mission and evangelism. This is usually a time to reflect and take stock of what has happened in the past year, also prayerfully looking ahead to the future asking for God's guidance in relation to where He wants us to be.

Here in the PCEA UK Outreach, this month coincides with our 20th year since we started. In that regard, we will also be looking back as we reflect on the journey and also thank God for His faithfulness. With regard to the four congregations which by the grace of God have been planted, the leadership is aware that each is located in a different place which makes each one unique, with different needs and challenges. This may demand different approaches and hence the need to prayerfully seek the wisdom and guidance of God.

September 2026

On Saturday 26th of September we have arranged to have a joint thanksgiving service which will be held in London. All the other congregations of Luton, Birmingham and Reading will be in attendance.

52 Pastors & Evangelists at Mission Conference working from marginalized areas of East Africa

Prayer Points:

- Thank God for journey mercies for all those who travelled to different parts of the world.
- Pray for the youth and children who will be starting a new year in their respective schools, colleges and universities.
- Pray for all the event scheduled to take part in September and in particular the thanks giving service.
- Thank God for the twenty years of God's faithfulness and also pray that we will be granted wisdom as we look into the future.
