“Oh magnify the LORD with me and let us exalt His Name together.” Psalm 34: 3

We bless our LORD for all His tender goodness and mercy.

Whilst our time in Kenya may be completed, we continue to seek our LORD to be glorified and to pray for His work in Maasai land, and for His dear children whom He works through for His glory and the extension of His Kingdom.

We give thanks to our LORD for His provision and His enabling. Last week, Bible story books for both nursery and primary, alongside Bibles, were given to the children at Pardamat Primary School. It is our heartfelt prayer that these precious little ones will not only hear about Jesus because of the testimony of God’s servants who are telling the children about Him, but that they will believe and have a personal experience with Jesus as they meet Him through His Word and learn more about Him, why He came, why He died and how He now is a risen and ascended Saviour

Of course, other primary and nursery children were provided with Bibles and Bible story books before we left Kenya, and we pray that all these children will know for themselves our LORD’s amazing love and goodness through faith and trust and will enjoy a wonderful relationship with Him as they find that they can rely, moment-by-moment, on His steadfast faithfulness and on Who He is.

February 2026

The building work continues on the two new classrooms being built at Empiris and also the new PCEA Nkaimurunya church building. The classrooms are nearing completion, and the work of trusses has been completed on the church building. The next stage is the transporting in of the iron sheets and their assembling. The LORD has granted very good weather to allow for the building work to continue and for this we are very grateful.

In March and April we will be carrying out Final Home Assignment. We give sincere thanks to our loving and faithful LORD for who He is and for all that He has done, is doing and will continue to do.

Prayer Points:

- Please continue to remember the precious souls of the Maasai in prayer that those who know our Beloved Saviour will come to know Him even more deeply and that, as they share with others about Him, God’s Holy Spirit will continue to work and many will meet Him and rejoice in who He is and all that He has done and continues to do.
- Please pray for those who know the flames of suffering licking around their feet, and for those for whom the flames have greatly intensified, that there, in the fire, they will know our Beloved’s tender, comforting fellowship in their suffering, and experience that fellowship with Him becoming richer and deeper.
- Rejoice with us in the continuation of outreach within the community and the building work that is still ongoing. Please pray that our LORD will be glorified and praised and His Kingdom extended.
- We graciously ask that you please remember us in prayer as we come near to the end of our time serving as missionaries with PCI and continue looking to our LORD to lead and guide us. Thank you.
