

## Gary and Mary Reid

Location: **Olkinyei, KENYA**

Mission: **Church planting and Scripture distribution**

We can only but praise and thank our LORD for all that He has done, is doing and will continue to do!

After a period of waiting, our LORD granted us the opportunity to travel back to Olkinyei and to fellowship with His precious children there. Whilst there, our LORD spoke clearly to us through His Holy Word that it was His will for us to leave. How we blessed our faithful, LORD for His anchoring Word to keep our hearts and minds firmly secure in Him. We knew then that whatever the upcoming journey held in store, His unfailing Word could be depended on and, as He so graciously had promised before our journey, He would not fail us. We really needed this.

And so, we delved into the work which our LORD prepared for us to do, including much fixing and repairing! Nursery, primary and secondary school - Bibles and Children's stories were purchased and distributed, (with some awaiting distribution when the schools reopen). Pulpit Bibles were presented to representatives of each of the 6 churches within Olkinyei and Siana, alongside Swahili Study Bibles to the Sunday School representatives. A mixture of Swahili and English Study Bibles were gifted to the church elders, the Mission Steering Committee and the staff at the Mission.

## November 2025

We bless our Father for His provision and blessing towards the local children. The renovation of the girls' dormitory at Olkinyei Primary School was able to progress quickly when the school officially closed for third term. Thirty metal bunk beds were manufactured and painted, and their sixty mattresses purchased and are being delivered into Olkinyei. Desks have also been manufactured and painted for the soon to be completed classroom built at Isintin for a total of 50 children. The remaining classrooms are to be renovated now that the school has closed. Furthermore, two new classrooms are being constructed at Empiris, where we had previously constructed a nursery classroom in 2023.

The church families came together and raised a significant amount of money towards the foundation of their new church building at Nkaimurunya, as their title deed has been obtained. We bless the LORD for how He has gone before and has provided the remaining finance for the church to be constructed to completion.

God so graciously granted that our last service together as a church family would be very special. We deeply thank our LORD for granting us to be a part of these beautiful people's lives and that we will be together, forever, worshipping Him.

### Prayer Points:
