Livestock Markets and Farmers

Rural Chaplaincy is partnering with Markethill Livestock Market to launch a new, monthly, Young Adults' event, on the mart premises, for young people aged 17+, starting on Friday 9th January. Please pray for all the plans and practical preparations for this and most importantly, that God would be at work, building up Christian young people and drawing others to follow Jesus.

Ploughing Championships

Thank you for praying for the PCI stand at the National Ploughing Championships, Co Offaly (225,500 attendees). I was so encouraged by the excellent team of gospel-hearted people, including the Moderator, Rt Rev Dr Trevor Gribben, organised by Rev William Hayes (Tullamore). I estimate 20% - 25% of the people who came onto our stand were Secondary School age and were generally very open to talk about Jesus. We gave away a huge amount of evangelistic literature. Please pray that God will draw many to trust in Jesus.

Local Churches

In October, I am speaking at two mini-missions and one week-long mission, with some help from others:

Friday 3rd October: Minterburn Presbyterian Church (Co Armagh). Adam Annett speaking at a children's event

Saturday 4th October: I'm speaking at a Men's Breakfast and Amanda Hanna speaking at a Ladies' High Tea and Wellbeing Afternoon

Sunday 5th October: I'm preaching at a Family Harvest Service in the morning and an evening Harvest Service attended by Farm Support Agencies and other wellbeing services. One of the agency members is giving his testimony. Organisations will be present in the church hall afterwards to engage with attendees.

Saturday 11th - Sunday 12th October: Tullylish Church of Ireland (near Banbridge). On Saturday I'm speaking at an Evangelistic Breakfast then on Sunday I'm being interviewed and then preaching at the Harvest Service.

Monday 13th - Friday 17th October: Balteagh Presbyterian - I am preaching at their Evangelistic Mission

Please pray for each of these missions, that God would draw people to trust in Jesus. Also pray for Adam, Amanda and I as we prepare and speak.
