NATIONAL GYPSY MISSION PRAYER DAY

As we look back to all that God has led us through in April, our hearts are thankful. Alongside our regular bible studies and services, we were able to take a group of 25 to the national gypsy mission prayer day in Mateszalka. The theme was Luke 18,1 always pray and never give up. After teaching on the passage, the focus was on gaining strength through hearing personal testimonies of how God had brought transformation to Roma men and women from a life of entrapment of addiction to freedom in Christ. This led us to a time of praise and worship. Throughout the day many took the opportunity for one-on-one prayer to lay down life's challenges, fears and failures at the feet of the cross.

At the end of the day, our group preformed the 'life' drama calling those who don't know the Lord to turn to Jesus for salvation.

BODASZŐLŐ PRAYER HOUSE

In mid-April as the Kilbride team worked tirelessly for a week at the prayer house, digging, pouring cement, gardening, painting, putting up the fence, this inspired men from the local community and from our parent church to volunteer their time to work alongside them.

We greatly appreciate their partnership in the gospel, hard work and dedication. The new fence, gate and car entrance looks lovely and spurs us on to continue with the other parts of the renovation of the prayer house.

Prayer Points:

- Please pray for the Pentecost services, ongoing bible studies, women's group and youth group. Pray for rootedness in the word and steadfast prayer.
- Give thanks for the upcoming confirmation celebration on May 17th and for the two young people and four adults who have been taking membership classes. Pray as they share their personal testimonies and make promises that they will be strengthened and filled with the spirit.
- In May we will begin English classes for the youth group, to prepare them for work alongside the Exodus team in July at our youth week. Pray that many young people will come along.
- Give thanks for the ongoing steady renovations in the Imahaz/ Prayer house. Pray for the plastering and laying of flooring in the meeting room.
- Please pray for the much-needed finance for the new roof and insulation of the prayer house which is probably the biggest investment we need to make.
