

Csaba and Ilona Veres

Location: **BODASZOLO, Hungary**

Mission: **Church Planting and Outreach**

After a time of holiday we returned to Bodaszőlő and began to refocus on planning and preparing for the autumn period of ministry, especially with the new building in mind.

We praise God for answers to prayer for a permanent location for the Bodaszőlő church plant. We have known the blessing of God and generosity of His people, through many gifts towards the purchasing of and renovation of the property in Bodaszőlő. Our parent church now have authorization from the church leadership and plans to finalize the purchase in the coming weeks. Then the work on the building will begin!

In October we will have much practical work to do and organise, knocking down a wall, plastering and painting to make a suitable room for our main gatherings. We will need to build bathrooms because there are no toilets on site yet, and also carry out some repair work on the roof and windows so the building is ready to be used this winter.

October 2025

In September alongside all the regular bible studies and activities, Csaba and Krisztian took part in the national gypsy mission leadership's training weekend and in October they will represent the church plant at the gypsy mission national network meeting. Pray for them to make good contacts with other church leaders and explore ways to develop strong mutually supporting partnerships with those in similar intercultural ministries.

During our summer youth ministry, we had up to 35 young people coming along. Many expressed interest in joining the regular youth group which we will shortly begin with a grill party at the old church ruins in Zelemer and a youth festival at Hajdusamson Reformed church. We pray for wisdom in how to structure our up-and-coming series of studies in the book of James and that those young people who we got to know in the summer would come along and engage with the Word.

Prayer Points:

- Give thanks that the purchase of the property for the church plant in Bodaszőlő will go ahead. Please continue to pray for generous hearts to donate towards the property purchase and basic renovations.
- Pray for wisdom and guidance this autumn, that we would have expectant hearts as we look forward to what God will do in the 2025-2026 school year.
- Pray for the youth work, that many young people would come along, that they would trust the Saviour, that God would give them a greater sensitivity to the Spirit and growth in the knowledge and grace of Jesus.
