

Special Projects

Every year we support various projects at home and overseas. From helping to support the work of Prison Fellowship NI and their ministry to female prisoners and their families, to partnering with the Women's Guild in Zambia who are transforming women's lives throughout Zambia by producing a leader's training manual which is being used to equip women to serve well, to study God's Word, and to extend the love of Christ to others

Supporting Local Mission

The work of *Presbyterian Women* is fully reliant on the generosity of group donations which enables us to support the development of ministry to women in the Presbyterian Church in Ireland. Your giving allows us to produce group resources, organise conferences and run training events.

Supporting Global Mission

Your partnership is vital as it continues to reach across the world by supporting the work of PCI's 17 Global Mission Workers in 8 different countries.

Our Mission

Presbyterian Women encourages women to become disciples of Christ.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
Galatians 6:9
