Built Around You

Crafted for comfort and built to last, this sofa features a sturdy hardwood timber frame made from sustainably sourced wood and expertly handcrafted by skilled craftsmen in the UK. Designed for everyday living, it offers a choice of two inviting seat cushion options: fibre cushions with a cloud-like softness that encourages you to relax, or resilient foam cushions that bounce back beautifully for a supportive, ultra low-maintenance sit. This sofa sits on discreet, unseen glides for a clean, effortless finish.

Soft and inviting, the scatter cushions are filled with 100% responsibly sourced duck feather and are included as standard. Simply choose one fabric for all of your scatters from this book to complete the look.
