

BREDA

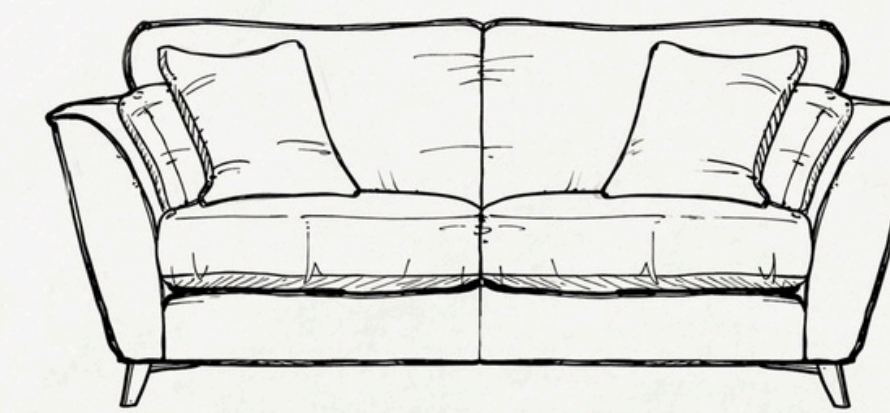

Built Around You

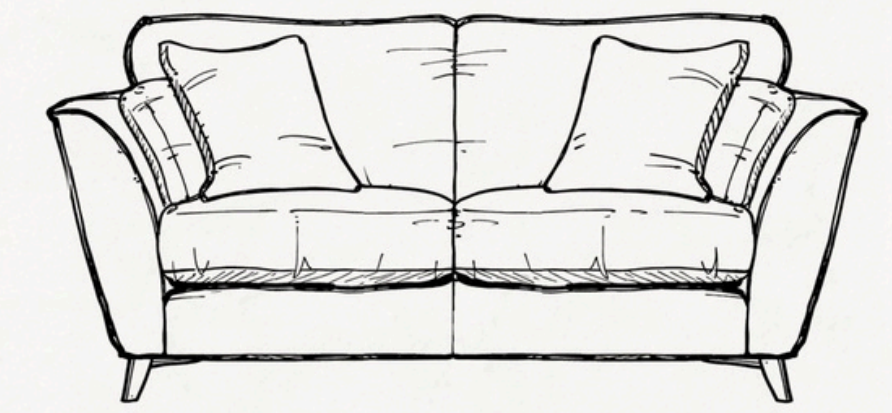

With its soft, sweeping arms and generously proportioned silhouette, Breda is designed to bring effortless comfort to every home. Deep seat cushions, crafted from high-quality foam and wrapped in a plush fibre jacket, offer the perfect balance of support and softness, while generously filled fibre back cushions and luxurious feather scatter cushions create a relaxed, inviting feel. Beneath the upholstery, a robust hardwood frame is expertly constructed for lasting durability and paired with a fully sprung zig-zag seat platform for exceptional comfort and support. Finished with elegant wooden feet in a choice of Country Oak or Burnished Beech, Breda can also be personalised with contrast piping or self-piping to complement your chosen fabric.
