Built Around You

Crafted for comfort and built to last, this sofa features a sturdy and reliable hardwood timber frame made from sustainably sourced wood and handcrafted by skilled craftsmen in the UK. Designed for everyday living, it offers a single, ultra low-maintenance seat cushion option: supportive foam that gently bounces back after use, creating a comfortable cocoon of lasting support and ease. The streamlined silhouette is designed to sit on discreet, unseen glides, allowing the focus to remain on the sofa's clean lines and beautifully tailored upholstery. Soft and inviting scatter cushions are included as standard, filled with 100% responsibly sourced duck feather for added comfort. These are supplied in the same body fabric you choose, ensuring a cohesive and effortlessly considered finish.
