

Hera

Built Around You

Crafted for comfort and built to last, this sofa features a sturdy and reliable hardwood timber frame made from sustainably sourced wood and handcrafted by skilled craftsmen in the UK. Designed for everyday living, it offers supportive foam seat cushions that gently bounce back after use, providing an ultra low-maintenance sit and a comfortable cocoon of support.

The look is finished with a choice of feet in Walnut or Weathered Oak wood, or sleek Chrome metal, allowing you to tailor the style to your space. Soft and inviting scatter cushions, filled with 100% responsibly sourced duck feather, are included, with the option to choose a fabric per pair from the fabric book for a beautifully coordinated finish.
