

Tora

Built Around You

Crafted for comfort and built to last, this sofa features a sturdy and reliable hardwood timber frame made from sustainably sourced wood and handcrafted by skilled craftsmen in the UK. Designed for everyday living, it offers a choice of two indulgent seat cushion options: Feather-Fibre cushions with a soft, cloud-like sit, enhanced with a feather blend for an invitingly cosy feel, or Encore Foam cushions, featuring a specially contoured foam surround for gentle comfort combined with the bounce and resilience of a supportive high-density foam core. The look is completed with a choice of feet in Walnut or Weathered Oak wood, or sleek Chrome metal, allowing you to tailor the finish to your space. Soft and inviting scatter cushions, filled with 100% responsibly sourced duck feather, are available to purchase individually or as a coordinated pack including two large, two medium, two small cushions and a bolster, with the option to choose a fabric per pair from the fabric book for a beautifully tailored finish.
