Galway's Premier Furniture Retailer

The Fiji range is a collection of stunning tables and a sideboard, including dining and occasional to complete your space. SmarTops® Technology (heat, stain, and scratch resistant) has been applied to the wood effect top to make it more durable for everyday living. Available in 3 on-trend colours of statement black, warm smoked oak, and versatile rustic oak. A stunning designer base in black metal completes the look. Simply add chairs of choice to make your dining experience unique
